Tasting Tent 2023

July 29th & 30th

11:00 am - 5:30 pm

We have an update to the Tasting Tent! Main Street Winery from Arcade will be joining us!

We are looking forward to our eighth year of the tasting event. We have made some changes over the years and the biggest one is we are no longer just a wine tasting. In the last couple of years some of our vendors brought cider or beer with them. Last year we had a brewery, Brindle Haus Brewing Co, and some distilleries with us. We received great feedback, and we are extending our vendor invitations to include cideries, breweries and distilleries! Please stay tuned to find out who else will be with us this year! As our vendors join us, we will update this page and post the information on Facebook.

Once again, we will be located in Fireman's Field on the southwest side of the canal bridge. Admission will be \$6.00 per person and we will check all ID (valid Driver's License) at the door so please be prepared.

We plan to have six vendors waiting for you to sample their amazing drinks. As of April 4th, we have Main Street Winery, Thousand Island Winery and Victorianbourg Wine Estate joining us. We are also working on getting Cabot Cheese to join us again so you can have some wonderful cheeses with your tasting.
