# Welcome!

Spencerport Canal Days Committee is proud to produce "Spencerport Canal Days", an annual event held in the heart of the historic canal town of Spencerport, New York. The two-day festival show cases Rochester's west side community spirit.

This year we have decided "Go Green". Brochures will be available on line this year and all responses will be via email. If you don't have a computer, special arrangements will be available for you.

On schedule for the weekend events is the annual "Canaligator Race", classic car show at Pineway Ponds Park, children's activities, in addition to a varied array of taste tempting food offerings. This festival boasts two entertainment stages and features a Friday Night concert, surrounding the main attraction, the "Arts and Crafts show". This is a "screened" show of approximately 100 arts and crafts vendors. We invite you to be part of the show 2012 celebration!

"Canaligator" wants to make sure you follow this instructions:

## ELIGIBILITY

All work exhibited must be the original artwork produced by the registered applicant. Work that has been produced with commercial kits, molds, patterns, plans or prefabricated forms is not permitted. The limited use of commercial components will be permitted only if incidental to an applicant's creation. Mass produced items and imported objects are neither eligible nor allowed. Exhibitors whose work does not correspond with the quality represented in the photos may be asked to remove items or an entire exhibit without refund. Printed reproductions cannot comprise more than 50% of the total merchandise in the booth. The intention of these shows is to emphasize original work.

## CATEGORIES

Review these categories carefully and select the one that most closely fits your work. If your work is primarily in one medium in look and technique, even though another medium is used, your work will receive its best attention by the committee in the primary medium category.

## DISPLAY BOOTH

Each Exhibitor must provide a display booth and racks or tables for his or her work to be properly displayed outside on grass or asphalt (depending on space assignment). Please be prepared for inclement weather conditions with rain covers and appropriate tie down weights. Each booth is limited to 100 square feet (10X10') of display space with 2' of common space between each booth. All tables must draped to the ground. Boxes and packing crates must not be visible. Poor appearance of an exhibit may be grounds for rejection. Artists will be allowed to rent more than one booth. **GENERATORS ARE NOT ALLOWED.**

## SCREENING PROCESS

All artists must submit a total of 3 photos or slides for screening. Screening is done by qualified committee members to ensure a balanced quality show. Screening is based solely on the quality of work depicted in photos or slides.

## NEW YORK STATE SALES TAX

All exhibitors who do shows in New York State are required to collect New York State Sales Tax. A "Certificate of Authority" may be obtained by calling 1-200-CALL-TAX or write: Taxpayer Assistance Bureau, Albany, NY 12227. For further information on New York State tax requirements you may call locally at (585)530-8406. Local tax rate: 8%. Proof is required at show registration. Allow four weeks for processing.
